Here's an innovative solution to help cover these expenses!

ADVANTAGE PLUS Will Pay You CASH BENEFITS FOR:

• DAILY HOSPITAL CONFINEMENT

This benefit will pay you a daily benefit amount between \$100 and \$600 per day should you be confined to a hospital. You also can choose either a 10-day or 21-day benefit period which will restore after 60 days of not being hospital confined. Benefits are paid in cash directly to you and are paid on top of any other insurance you may have.

• AMBULANCE BENEFIT RIDER

This rider will pay \$200 per ambulance trip to or from a hospital, limited to one benefit per hospital confinement (subject to a lifetime maximum of \$2,500).

• LUMP SUM CANCER RIDER*

The Lump Sum Cancer rider will pay you a cash benefit of \$2,500, \$5,000, \$7,500 or \$10,000 should you be diagnosed with cancer. This benefit is limited to a one time lump sum payment.

• SKILLED NURSING FACILITY RIDER**

Your policy will pay \$120 per day from days 21-100 if you are confined to a skilled nursing facility. This benefit applies if you are admitted to a skilled nursing facility after having been confined to a hospital for 3 consecutive days. We will pay benefits as long as confinement occurs within 30 days of hospitalization. This benefit restores after 60 days of not being confined to a hospital or skilled nursing facility.

**EXCLUSIONS: You will be eligible for benefits under this rider if all of the following conditions are met: Cancer is first diagnosed and treated while insured under this rider; loss due to first diagnosed cancer is incurred while insured under this rider and not excluded from coverage under the policy's pre-existing condition provision; and loss is the result of cancer covered under this rider. Please consult your policy for definitions.*

***Not available in Kansas, or Mississippi.
In Iowa, skilled nursing refers to nursing facility benefit.*

ADVANTAGE PLUS MEANS PROTECTION, CHOICE AND PEACE OF MIND

Some primary health plans leave you with a lump sum hospital co-pay. A \$250, \$500 or \$750 lump sum benefit can be used to help cover that cost. The benefit is payable once during any period of hospital confinement and restores after 60 days of not being confined to a hospital.

This rider will pay \$250, \$500, \$750 or \$1,000 for a surgical procedure performed in an Ambulatory Surgical Center or Outpatient Facility of a Hospital. This benefit is payable up to two occurrences per year.

This rider will pay a cash benefit to you of either \$5,000, or \$10,000 should you die in an accident. In addition, the rider pays dismemberment benefits as outlined in your policy's benefit schedule.

• DURABLE EQUIPMENT RIDER

This rider will pay 30% of the first \$1,000 of actual charges per calendar year for durable medical equipment such as a wheel chair, walker, cane, etc.

Your policy will also pay \$175 a day for up to 7 days if you are confined to an inpatient mental health facility. In addition, the policy will pay 100% of the first \$150 of emergency room expenses if you are admitted to a hospital within 24 hours after the emergency room visit due to accident or injury. ***These benefits are available to you as part of your base policy at no additional cost.
